

THE PHOENIX COLLECTION

SIX SLEEK, REFILLABLE BOTTLES
DESIGNED FOR PERFUMERY AND COSMETICS.

LIGHTWEIGHT. RECYCLABLE. REFILLABLE.

EMBRACING SUSTAINABLE BEAUTY, EACH BOTTLE AT A TIME

Discover the future of beauty – elegant and eco-friendly. As sustainability reshapes the industry, Stoezle Glass Group pioneers with a refined range of refillable bottles.

TAILORED FOR PERFUMERY AND BEYOND

The Phoenix Collection is designed to serve diverse beauty brands. Our 150ml and 200ml bottles feature a specialised neck compatible with various closures, making them ideal not only for perfumes but also for body and skincare products.

REFILLABLE BOTTLES – SNI 15

10ml / 30ml / 50ml / 100ml

REFILL BOTTLES – GCM1 24/410

150ml / 200ml

LIGHTWEIGHT & ECO-FRIENDLY

Crafted for minimal material use, reducing CO₂.

REFILLABLE & RECYCLABLE

Featuring screw necks for easy separation of the pump and bottle, enabling effortless refilling and promoting glass recyclability.

SEAMLESS BRAND INTEGRATION

Endless design possibilities with a versatile round shape that adapts to any brand, without compromising style.
